

Biomedical Engineering Certificate Program Application

Application to the program requires that this form be completely filled out and a cover letter attached. The cover letter must clearly describe previous and/or current education and experience, and motivation for choosing the Biomedical Engineering Program.

Minimum Admission Requirements:

- Bachelor’s degree in Biology, Chemistry, Physics, or Engineering with a mathematics background through calculus. A course in Computer Programming is desirable. Qualified junior or senior level undergraduates may be accepted into the Graduate Certificate program with appropriate committee recommendation.
- 3.0 overall GPA or a 3.0 GPA in Science, Mathematics and Engineering courses.
- GRE is optional. A GRE score of a combined score of 300 may compensate for a slightly below 3.0 undergraduate GPA.

Note: Official Transcript required from all applicants
