

**Big Data Analytics with Computer Science and Business Track
Certificate Program Application**

Note: Application to the program requires that this form be completely filled out and a cover letter attached. The cover letter must clearly describe previous and/or current education and experience, and motivation for choosing the Big Data Analytics Certificate Program.

Minimum Admission Requirements:

- **CS Track:** The certificate program will be open to students who have a BS degree in Computer Science or a related field of Science and Engineering, a GPA of at least 3.0 and must satisfy the prerequisites required for each course in the program. All four courses in the program must be completed with a GPA of 3.0 or better.
- **BU Track:** The certificate program will be open to students who have a Bachelor degree in Business or related field and a GPA of at least 3.0 and satisfy the prerequisites required for each course in the program. All four courses in the program must be completed with a GPA of 3.0 or better.

Note: Official Transcript required from all applicants.
