

**Cybersecurity - Computer Science Track  
Certificate Program Application**

The Department of Computer and Electrical Engineering and Computer Science offers the Cybersecurity Certificate with a track in Computer Science (CS). This 12-credit certificate program allows students to expand their knowledge and skills to meet the needs of the cybersecurity field. The certificate is available to degree-seeking students, non-degree students and working professionals.

**Minimum Admission Requirements:**

Students must satisfy the prerequisite courses required for each course in the certificate program with a minimum grade of "C". All four courses must be completed with a grade of "C" or better. Students cannot obtain both a certificate and a minor in Cybersecurity.

**Note: Official Transcript required from all applicants.**
