The Department of Computer and Electrical Engineering and Computer Science offers the Cybersecurity Minor with a track in Computer Science (CS). This 12-credit minor program allows students to expand their knowledge and skills to meet the needs of the cybersecurity field. The minor is opened to all FAU undergraduates.

Minimum Admission Requirements:

Students must satisfy the prerequisite courses required for each course in the certificate program with a minimum grade of “C”. All four courses must be completed with a grade of "C" or better. Students cannot obtain both a certificate and a minor in Cybersecurity.

Note: Official Transcript required from all applicants.
